Stack Development

## SUMMARY

I am currently pursuing my Bachelor of Technology (B.Tech.) in Computer Science and Engineering at Murshidabad College of Engineering & Technology (Berhampore, West Bengal, India). With strong problem-solving and programming skills, I am well-versed in C, Data Structure & Algorithms, Python, Java, Web Development, Full-Stack Development and DevOps practices. I am a highly motivated and hardworking individual looking for a responsible role in a reputable organization where I can learn new skills, expand my knowledge and leverage my learnings while making a significant contribution to the success of the organization.
